

School Development

- Implementation of a school behaviour plan to embed practice, strategies, interventions and policy.
- Specific projects identified with school with the view of implementing an agreed strategy or intervention. They are normally short but intensive periods of work with the aim of building sustainability based on identified need, school development plan, OFSTED report etc.
- Planning review and evaluation meetings
- Surgery on behaviour management in school
- Skills audit
- Resources audit
- Provision development e.g. LSU, Learning support, inclusion unit
- Behaviour Audit across the whole school or key stage
- Support on preparing for recognised awards e.g. IQM
- YR 6 Transition programme
